Dear Shareholder,

Annual General Meeting (the 'AGM')

This letter explains the resolutions to be proposed at the AGM of the Company to be held at 12.00 noon on Wednesday 13 May 2026 at 33 Margaret Street, London W1G 0JD. The Notice of the AGM is set out on pages 4 and 5 of this document.

Resolution 1 – Receipt of the 2025 Annual Report and Accounts

This resolution deals with the receipt of the audited accounts for the year ended 31 December 2025, together with the Auditors' report thereon, as well as the reports of the Directors.

Resolution 2 – Approval of Directors' Remuneration Report

In accordance with section 439 of the Companies Act 2006, shareholders are requested to approve the Directors' Remuneration Report, (other than the Directors' Remuneration Policy), the relevant pages of which are pages 114 to 140 of the 2025 Annual Report and Accounts. The vote is advisory.

Resolution 3 – Declaration of a final dividend

Subject to shareholder approval of the recommended final dividend at the AGM, a final dividend of 15.7p per ordinary share will be paid on 18 May 2026 to shareholders on the register of members as at the close of business on 10 April 2026, together with the supplemental interim dividend of 10.7p per ordinary share resolved to be paid by the Board.

Resolutions 4 to 13 – Election or Re-election of Directors

In accordance with the UK Corporate Governance Code, all Directors will retire at the AGM and seek election or re-election (as the case may be). The Board is satisfied that each Director standing for election or re-election continues to show the necessary commitment to be an effective member of the Board given their skills, expertise and business acumen.

As announced on 25 September 2025, Mark Ridley retired as Group Chief Executive Officer on 31 December 2025 and Simon Shaw was appointed as Group Chief Executive Officer with effect from 1 January 2026. Nick Sanderson joined the Group as Group Chief Financial Officer on 9 February 2026 and was appointed as an Executive Director with effect from 12 March 2026. In accordance with the Company's Articles of Association, Nick Sanderson, having been appointed by the Directors since the last annual general meeting, will retire at the AGM and, being eligible, offers himself for election by shareholders.

Biographical details of all of the Directors are set out on pages 76 to 78 of the 2025 Annual Report and Accounts and can also be found in Appendix 1 of this document. In accordance with the UK Corporate Governance Code, the contributions and reasons for the election or the re-election of each Director are also set out in Appendix 1.

Resolutions 14 and 15 – Re-appointment of the Auditors and their remuneration

Resolutions 14 and 15 seek shareholder approval for the re-appointment of Ernst & Young LLP as Auditors from the conclusion of the AGM until the conclusion of the AGM in 2027 and authorise the Directors to set the remuneration of the Auditors. In accordance with rules on statutory audit services for large companies, the fee for audit work will be agreed between the Audit Committee and the Auditors.

Resolution 16 – Directors' authority to allot shares

The Directors may allot shares or grant rights to subscribe for or to convert any security into shares if authorised to do so by shareholders. The authority granted at the 2025 AGM is due to expire at this year's AGM. Accordingly, Resolution 16 will be proposed as an Ordinary Resolution to grant a new authority. The Companies Act 2006 provides that the Directors may only allot shares or grant rights to subscribe for or to convert any security into shares if authorised by shareholders to do so. Resolution 16 will, if passed, authorise the Directors to allot shares up to an aggregate nominal amount of £2,436,348, which represents an amount which is approximately equal to two-thirds of the issued ordinary share capital of the Company as at 18 March 2026.

As provided in paragraph (a) of the resolution, up to half of this authority (equal to one-third of the issued share capital of the Company) will enable the Directors to allot and issue new shares in whatever manner (subject to pre-emption rights) they see fit. Paragraph (b) of the resolution provides that the remainder of the authority (equal to a further one-third) may only be used in connection with a pre-emptive offer in favour of ordinary shareholders. This is in line with guidance issued by the Investment Association.

As paragraph (a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with paragraph (b) so as to enable the whole two-thirds authority to be used in connection with a pre-emptive offer. If given, this authority will expire 15 months from the date the resolution is passed or at the conclusion of the 2027 AGM of the Company, whichever is the earlier.

Passing Resolution 16 will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares.

The Directors have no present intention of issuing shares pursuant to this authority.

The Company holds no treasury shares.

Resolutions 17 and 18 – Disapplication of statutory pre-emption rights

In accordance with the Pre-Emption Group's Statement of Principles (the 'Pre-Emption Group Principles') the Company will seek authority at the AGM to issue for cash equity securities otherwise than in connection with a pre-emptive offer representing:

- (i) no more than 10% of issued ordinary share capital whether or not in connection with an acquisition or specified capital investment (a general disapplication);
- (ii) no more than an additional 10% of issued ordinary share capital, provided that it is intended to be used only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the issue; and

- (iii) in the case of both (i) and (ii), up to an additional 2% of issued ordinary share capital in connection with a follow-on offer to retail investors or existing investors not allocated shares in the offer.

Resolutions 17 and 18 seek shareholder approval such that the Board, subject to Resolution 16 being passed, be authorised to allot equity securities (as defined in the Companies Act 2006) for cash under the authority given by these resolutions and/or to sell ordinary shares held by the Company as treasury shares for cash, as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale. These disapplication authorities are in line with the Pre-Emption Group Principles.

Resolution 17 seeks shareholder approval to disapply statutory pre-emption rights up to 10% of the Company's issued ordinary share capital. This part of the authority is designed to provide the Directors with flexibility to raise further equity funding as and when circumstances require. Resolution 17 also gives the Directors flexibility to implement a pre-emptive offer on terms that do not strictly reflect statutory pre-emption rights where strict compliance would be unduly burdensome (for example, due to overseas securities laws).

Resolution 18 seeks shareholder approval to disapply statutory pre-emption rights in respect of an additional 10% of the Company's issued ordinary share capital. In accordance with the Pre-Emption Group Principles, and as referred to above, the Directors confirm that this additional authority is intended to be used only in connection with an acquisition or specified capital investment that is announced contemporaneously with the issue, or that has taken place in the preceding 12 month period and is disclosed in the announcement of the issue.

In the case of both Resolutions 17 and 18, the Directors are also authorised to issue up to an additional 2% of the Company's issued ordinary share capital in connection with follow-on offers as referred to in paragraph (iii) above.

The Directors confirm their intention to follow the Pre-Emption Group Principles in advance of exercising their authority under either Resolution 17 and/or Resolution 18. The Directors have no present intention of exercising either of the authorities granted by Resolution 17 and/or Resolution 18 but they consider their grants to be appropriate in order to preserve maximum flexibility in the future.

If given, these authorities will expire 15 months from the date the resolution is passed or at the conclusion of the 2027 AGM of the Company, whichever is the earlier. In each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the relevant authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolution 19 – Company purchase of own shares

It is proposed to renew the Company's authority to purchase its own shares. The Board considers that it remains in the interests of all shareholders for the Company to have the authority to continue to effect such purchases and would like to be able to act quickly if circumstances arise in which they consider such purchases to be desirable.

The maximum and minimum prices of any repurchase are set out in the resolution. This resolution will give the Company the authority to purchase its own shares in the market up to a maximum of 10% of its issued share capital as at 18 March 2026. The Directors' present intention is that any ordinary shares purchased pursuant to this authority will be cancelled immediately on purchase. Alternatively, the shares may be held in treasury, sold for cash or (provided UK Listing Rule requirements are met) transferred for the purposes of or pursuant to an employee share scheme. The effect of any cancellation would be to reduce the number of ordinary shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not rank for dividends).

The ability to hold and sell treasury shares quickly and cost effectively provides the Company with additional flexibility in the management of its capital base. Any transfer of treasury shares for the purposes of the Company's employee share schemes will be made within the anti-dilution limits set out by the Investment Association. In any event, the Board will only exercise the authority granted pursuant to this resolution once it is satisfied that any purchase will have a beneficial impact on earnings per share and/ or will be in the best interests of all shareholders generally.

As at 18 March 2026, there were 345,318 options to subscribe for shares, representing approximately 0.24% of the Company's current issued ordinary share capital. If the full authority being sought to buy back shares was utilised and the repurchased shares cancelled, outstanding options would represent approximately 0.26% of the Company's issued ordinary share capital.

Resolution 20 – Notice of General Meetings

In order to preserve flexibility to call general meetings (other than annual general meetings) on 14 clear days' notice, the Company must offer all shareholders the opportunity to appoint a proxy electronically (via the Company's website or its Registrars) and must obtain the approval of its shareholders by means of a Special Resolution passed each year. Accordingly, Resolution 20 seeks such approval. It is intended that this flexibility will only be used for non-routine business and where merited in the interests of shareholders as a whole. The approval will be effective until the 2027 AGM, when it is intended that a similar resolution will be passed.

Recommendation

The Board considers that all the resolutions to be considered at the AGM are in the best interests of the Company and its shareholders as a whole and the Board recommends that shareholders vote in favour of all the proposed resolutions as the Directors each intend to do in respect to their own holdings of ordinary shares.

Yours faithfully

Stacey Cartwright
Chair

Notes

(i) Proxies

A member who is an individual is entitled to attend, speak and vote at the Meeting or to appoint one or more other persons as their proxy to exercise all or any of their rights on their behalf. Further details of how to appoint a proxy, and the rights of proxies, are given below. A member that is a company can appoint one or more corporate representatives (such as a director or employee of the company) whose attendance at the Meeting is treated as if the company were attending in person, or it can appoint one or more persons as its proxy to exercise all or any of its rights on its behalf. In each case, a person attending the Meeting will need to provide the Company or the Registrar with evidence of their identity and, if applicable, their appointment as a proxy or corporate representative with authority to vote on behalf of a member.

In the case of a member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the Form of Proxy.

A member is entitled to appoint another person as their proxy to exercise all or any of their rights to attend, speak and to vote at the Meeting. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by them. A proxy need not be a member of the Company. A proxy is legally required to vote in accordance with any voting instructions given by their appointing member. If members wish to appoint a proxy, they should complete the Form of Proxy and send it to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to be received not later than 48 hours before the time at which the Meeting is to take place.

If the proxy is being appointed in relation to less than a member's full voting entitlement, please enter in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as proxy. If left blank the proxy will be deemed to be authorised in respect of the member's full voting entitlement (or if the Form of Proxy has been issued in respect of a designated account for a shareholder, the full voting entitlement for that designated account). To appoint more than one proxy, additional Form(s) of Proxy may be obtained by contacting the Registrar's helpline on +44 (0)371 384 2018; lines are open from 8.30 a.m. to 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Please also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. Completion of a Form of Proxy will not preclude a member attending and voting in person at the Meeting.

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).

It is possible for you to submit your proxy votes online by going to Equiniti's Shareview website, www.shareview.co.uk, and logging in to your Shareview Portfolio. Once you have logged in, simply click 'View' on the 'My Investments' page and then click on the link to vote and follow the on-screen instructions. If you have not yet registered for a Shareview Portfolio, go to www.shareview.co.uk and enter the requested information. It is important that you register for a Shareview Portfolio with enough time to complete the registration and authentication processes.

Appointing a proxy will not prevent a shareholder from attending in person, speaking and voting at the Meeting. If you appoint a proxy and attend the Meeting and vote in person, the proxy appointment will be superseded.

Members may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

(ii) CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting to be held on 13 May 2026 and any adjournment(s) thereof by using the procedures and to the address described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available at www.euroclear.com). The message (regardless of whether it constitutes the appointment of a proxy, the revocation of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting or, in the event of adjournment of the Meeting, 48 hours before the date of the adjourned meeting.

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Notes continued

(iii) Proxymity

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12:00 noon on 11 May 2026 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

(iv) Right to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend, speak and vote at the Meeting (and for the purpose of determining how many votes a person entitled to attend, speak and vote may cast), members must be entered on the Company's Register of Members at 6.30 p.m. on 11 May 2026 or, in the event of any adjournment, at 6.30 p.m. on the date which is two days before the day of the adjourned meeting. Changes to the entries on the Company's Register of Members after this time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

On a show of hands, every member who is entitled to vote and is present in person or by proxy has one vote and, on a poll, every member who is present in person or by a proxy has one vote for every ordinary share held by them.

(v) Right to ask questions or propose resolutions etc.

Any member attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the Meeting, notice of a resolution which may properly be moved and is intended to be moved at the Meeting and/or (ii) to include in the business to be dealt with at the Meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form; must identify the resolution of which notice is to be given or the matter to be included in the business; must be authorised by the person or persons making it; must be received by the Company not later than the date falling six weeks before the Meeting (excluding the date of the Meeting itself and the date on which the request is received); and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

(vi) Nominated persons

Any person to whom this Notice of Meeting is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may have a right under an agreement between them and the member by whom they were nominated, to be appointed (or to have someone else appointed) as a proxy for the Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it they may have a right under such agreement, to give instructions to the member as to the exercise of voting rights.

The statement of the rights of the members in relation to the appointment of proxies in note (i) does not apply to Nominated Persons.

(vii) Website publication of audit concerns

Members should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Companies Act 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditors' report and the conduct of the audit) that are to be laid before the Meeting for the financial year; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006.
